Support accessible AI olympiad preparation.

AIO Guide helps students prepare for USAAIO-style machine learning, deep learning, and theory problems through structured modules, notebooks, and practice. Sponsorship keeps the guide free while helping us expand content, improve tooling, and reach more students.

Where sponsorship helps

Curriculum

Expand modules and keep lessons accurate as AI olympiad topics evolve.

Practice

Create more USAAIO-style theory and coding problems with clear alignment to modules.

Tools

Improve notebooks, auto-graded practice, progress tracking, and student workflow.
